

**ST. JUDE THADDEUS  
A STUDENT'S  
PRAYER**

St. Jude, stay with me. Though the journey of learning is long and often difficult, your quiet presence gives me courage.

Sustain my trust in myself, my teachers, and fellow students. Help me to let go of my fears and believe in the growth that is happening, even though I may not see it right away.

As I embark again on this mission of study, I ask for the grace to be wise in mind and word, compassionate at heart, and full of energy and zeal as I seek to learn the ways of God's world and come to understand how my gifts may serve their best purpose. Amen.
