

BASED ON PSALM 45
**A PRAYER OF
LOVE TO GOD**

I find myself wanting to sing my Lord,
To sing a song to you.

You use your strength
to protect truth and justice
and to defend the meek.

Your reign is eternal.
You are above all others.

When I am in your presence
I feel such joy!
Nothing else is important to me.
Only your love matters.

You call me into your family.
You care for me and tell me I am
special.
How blessed I am!

Praise and glory to you my Lord,
forever and ever.

Amen.
