

Would you rather be in the hot sun or in extreme cold?	Would you rather eat a worm or let a spider crawl inside your shirt?	Would you rather be able to fly or be invisible?
Would you rather have a light saber or a magic wand?	Would you rather be too busy or completely bored?	Would you rather have to end every phone call with "I love you" or not have a phone?
Would you rather spend a weekend with pirates or ninjas?	Would you rather be able to see 10 minutes into the future or 10 years into the future?	Would you rather explore space or the ocean?
Would you rather go without salt or go without sugar for the rest of your life?	Would you rather have a pause button or a rewind button for your life?	Would you rather show up at a party over-dressed or under-dressed?
Would you rather be alone for the rest of your life or surrounded by annoying people?	Would you rather be in a coma or in jail?	Would you rather have lots of money or be famous?
Would you rather have no social media or no texting?	Would you rather be 10 feet tall or 10 inches tall?	Would you rather have to dance every time you hear music or live in a world without music?
Would you rather hear a comforting lie or an uncomfortable truth?	Would you rather watch your favorite sports team lose every game or not have sports at all?	Would you rather be stuck in an elevator for three hours or be locked in a bathroom for three hours?
Would you rather have to wear clothes from the 1960's or have a hair style from the 1960's?	Would you rather have unlimited battery life for your phone or free wifi everywhere you go?	Would you rather be able to talk with animals or speak every foreign language?
Would you rather lose the ability to speak or the ability to see?	Would you rather be able to paint or sing?	Would you rather not eat your favorite food for five years or eat nothing but your favorite food for a year?

How to Play Would You Rather

Materials

- Questions (see first page)

Instructions

1. Each person randomly draws a question.
2. They must answer the question.
3. Continue with the next person.

Variation

Play this as a large group game by having people go to one side of the room or the the other based on their answer to the question.
