

SHOW ME HOW TO BE
HUMBLE

HUMILITY PRAYER

God, I am far too often
influenced by what others think
of me.

I am always pretending to be
either richer or smarter or nicer
than I really am.

Please prevent me from trying to
attract attention.

Don't let me gloat over praise
on one hand or be discouraged
by criticism on the other.

Nor let me waste time weaving
imaginary situations in which the
most heroic, charming, witty
person present is myself.

how me how to be humble of
heart, like you.

Amen.
