

THE POWER OF GOD

A PRAYER BASED ON PSALM 33

God our Father, I praise and thank you.
You provide justice and mercy for the whole world.
You make me want to sing and dance for joy.

You spoke the whole world into being.
You imagined me and now I am alive.

You are so far beyond me.
I can't understand your power.
All that you say is true and enduring.
The things people do don't last.

You are above me in the heavens.
You can see all of the earth.
Yet you know me and care about me.

No powerful person can save me.
No possession can keep me safe.
Only You can be my salvation.
You alone deliver me.

I will be patient when you don't seem near.
I know you always come and defend me.
Who else can I trust in?
You are the only one who brings me hope and mercy.

Amen.
