

## **A PRAYER FOR SEEKING GOD BASED ON PSALM 63**

Lord, I feel empty inside and I need You. My heart is searching for something real, something true. Help me find You in the middle of all the noise. Let me feel Your presence when life feels overwhelming.

When I'm lost or confused, remind me that You are near. In my worries and fears, give me the strength to trust You. Help me remember that You are always with me, Guiding me through every challenge and dark moment.

When things get hard, help me find peace in Your love. Teach me to rely on You, knowing that You will protect me. In the middle of my busy days, remind me to seek You first, To pause and know that You are my source of strength.

Lord, fill my heart with joy that comes from knowing You. Even when life doesn't go as planned, help me praise You. Let me find happiness in being close to You, Knowing that You are all I truly need.

Thank You for always being with me, For being my guide, my strength, and my joy. Help me stay close to You in every moment, Trusting that You will lead me where I need to go. Amen.
