

## **A PRAYER OF PRAISE AND TRUST BASED ON PSALM 96**

Lord, I praise You with a new song.  
Help me see You in each day,  
in the quiet moments and in the busy ones.  
Let my heart stay open to Your goodness.

You made the world around me—  
the sky, the sea, and every living thing.  
Teach me to care for Your creation,  
to respect and protect it, as You have called me to do.

When life feels heavy or uncertain,  
remind me that You are my steady rock.  
Give me strength to trust Your justice and Your timing.  
Help me believe that You will set things right.

Guide me in sharing Your love with others,  
showing kindness, and offering help.  
May my life reflect the praise You deserve.  
Help me be a light in the world around me.

I lift up this day to You, Lord,  
with all my worries, joys, and dreams.  
Let my life be a song of praise to You,  
now and always. Amen.
