

A SONG TO GOD

BASED ON PSALM 96

My heart sings to you Lord!
Nobody has ever sung a greater
song.

I sing of your glory and blessings.
Everyone must know of what you
have done for me.

You are greater than anything on
the earth.
Everything else is nothing compared
to you.
You have made all I see.
It is wonderful.

I want the whole world to sing your
glory.
You have given us everything.
We offer it back to you.
You are in charge.
Only you know what is best.

May everyone know your glory.
The whole earth sings to you with
joy.
You are just and fair.
You make everything right.

Amen.
