

# Not So Happy Meal Game

This is an up front game. You may have two or more players. You will need a Happy Meal and a cup for each player.

## Supplies

- Two or more fresh Happy Meals, including a drink
- A blender
- Two or more large clear plastic cups

## Set Up

1. Put the blender and the plastic cups away where they can't be seen.
2. Place the Happy Meals somewhere visible.

## Instructions

1. Explain that you are going to have a race to see who can eat a Happy Meal the fastest. Ask for volunteers.
2. Have the volunteers come forward and stand near the meals.
3. Get out the blender and the cups.
4. Put a Happy Meal in the blender and blend until it is smooth. Pour it into the clear plastic cup.
5. Repeat with the remaining meals.
6. Give each volunteer their Happy Meal smoothie. On go, they must drink it.
7. The player who finishes drinking their meal first wins. Give them a prize.
