

## **A PRAYER FOR GUIDANCE AND PROTECTION BASED ON PSALM 121**

Lord, I look up and see the challenges ahead.  
Sometimes I feel small and afraid.  
But I trust that You are with me,  
Leading me through every step of my journey.

You never leave me, day or night.  
When I feel alone, help me remember  
That You are always watching over me,  
Caring for me with love that never fails.

When I don't know what to do,  
Show me the right path, Lord.  
Guide my choices and my actions,  
So that I can walk in Your ways.

Protect me from the dangers I cannot see.  
Keep me safe from harm and worry.  
Help me trust that You are my guard,  
Always by my side.

Thank You, Lord, for being my help.  
In every moment, You are near.  
I know You will guide and protect me,  
Today, tomorrow, and always. Amen.
