

A PRAYER FOR STRENGTH AND PROTECTION BASED ON PSALM 91

Lord, You are my safe place when life feels hard. Help me trust You when I am afraid. When I feel alone or scared, remind me that You are with me. Give me the courage to face each day with confidence in Your care.

Keep me safe from the dangers I can see, and those I cannot. Protect me from the worries that weigh me down. Help me find peace in knowing that You are watching over me, no matter what challenges come my way.

Teach me to trust in You more each day. When I struggle, remind me of Your promises. Help me remember that You are my strength, and that I am never alone.

Guide my steps as I move through my daily life. Be with me in my studies, my work, and my friendships. Keep me close to You, and help me make choices that honor You.

Thank You, Lord, for Your constant protection. Thank You for being my refuge. I place my trust in You, knowing that You will always be there for me. Amen.
