

ALWAYS WATCHING OVER ME

BASED ON PSALM 121

Lord, I look up and wonder where help will come from. You are my helper. You made the world and everything in it. You never sleep. You never stop caring for me.

You keep me safe when I feel scared. You guide me when I do not know what to do. You are close to me when I feel alone.

You watch over me every day. At school, with my friends, at home, and even when I forget about You, You are still with me.

Thank You for staying near me. Keep me strong when life feels hard. Help me trust that You will always be watching over me.
