

How to Play Phony Fun Relay Game

Materials

- A number of masks, hats, sunglasses, wigs, and other props which can be worn. You will need enough for each player to have four, plus a few extra.

Instructions

1. Separate the group into teams. About six people makes a good sized team.
2. Put all of the props at one end of the play area.
3. On go, the first member of each team must run to the props, select at least four of them, and put them on.
4. Then they must run to the start line.
 - If any of their props fall off while they are running, they must return to the prop area.
 - They cannot hold props on their bodies with their hands.
5. When they get to the start line, they tag the next player, who goes and puts four props on and returns.
6. The first team to have all of their players dressed up and returned to the start line wins.
