

A PRAYER FOR TRUST AND JOY BASED ON PSALM 47

Lord, You are the King of all,
Help us remember that You are in control,
Even when life is confusing and hard.
Guide us to trust in Your plan

And find peace in Your leadership.
We face many challenges each day,
In school, in friendships, in our future.
Give us the courage to rely on You,
Knowing that You care for us

And that You are always with us.
Help us to find joy in praising You,
Even in the small moments of life.
Remind us to celebrate Your presence,
And to share that joy with others
Who need to feel Your love.

Unite us with others around the world,
As we are all part of Your family.
Teach us to love and respect each person,
To work for peace and understanding,
And to see everyone as Your child.

Thank You, Lord, for being our King,
For leading us with love and care.
Help us to follow You each day,
To trust in Your wisdom,
And to live with joy in our hearts. Amen.
