

## **A PRAYER FOR WONDER AND PURPOSE BASED ON PSALM 8**

God, You made the stars, the moon, and the skies,  
And yet You see me.

Thank You for caring about my life  
And for walking with me every day.

You gave me gifts and a purpose.  
Help me to use them well.  
Show me how to care for the world  
And for the people around me.

Sometimes I feel small or unsure.  
Remind me that I matter to You.  
Help me trust in Your plan  
Even when I don't understand.

Thank You for the beauty of creation.  
Help me to see it and protect it.  
Let my choices show my love for You  
And for the world You made.

Lord, I praise You with my whole heart.  
Teach me to live in gratitude and joy.  
May my life always bring You glory  
As I follow Your ways. Amen.
