

LET THE WORLD SEE YOUR GOODNESS

BASED ON PSALM 67

Lord, be kind to us today. Show us Your mercy in the middle of our busy lives. Guide us when we feel lost or unsure. Help us to see Your love in small things around us.

Let everyone know Your ways. Help us bring Your love to our friends and family. Make us patient when others are hard to love. Teach us to be fair and kind, even when no one notices.

Thank You for the good things we have. Thank You for friends, for food, and for laughter. Help us share what we have with those who need it. Give us joy when we help others.

May all people see Your goodness. May they feel Your peace through us. Let our lives show how great You are. We want the whole world to praise You.
