Materials (for one key-chain or bracelet)

- [Cross bead](#)
- [One large bead](#) (for the Our Father)
- [Ten smaller beads](#)
- [One key ring](#) or ([bracelet clasp](#) and [jump ring](#))
- [Waxed jewelry thread string](#) (or another jewelry string option)

Instructions

See corresponding pictures at the bottom

1. Cut about 20 inches of twine. Maybe a little more for the first one until you see how long you need. It varies by the size of the beads you use.
2. String the twine through the cross.
3. Position the cross in the middle of the twine and tie a knot to keep it in place. (See picture)
4. String each end of twine through the large bead. (See picture)
5. Tie a knot at the top of the large bead to keep it fixed in place. (See picture)
6. String each end of twine through one of the small beads. Do not tie a knot. (See picture)
7. Add another small bead in the same way. (See picture)
8. Continue adding small beads until you have ten. Do not tie any knots between them. (See picture)
9. Leave some space (about 3/4 inch) and tie a knot. (See picture)
10. Attach a key ring or a bracelet clasp. (See picture)
