

## PRAYER ROCK POEM

I'm just a little prayer rock,  
And this is what I'll do:  
Put me on your pillow,  
Until the day is through.  
Then turn back the covers,  
Climb into bed with care,  
And you will find your prayer rock sitting right  
there.  
You will then remember  
To fold your hands in prayer.  
Ask that God will bless you,  
And keep you in God's care.
