

Spread the Good News Game

Objective: To reinforce the importance of clear communication and the message of evangelization.

Materials: None required.

Instructions:

1. Have the youth sit in a circle, facing each other.
2. Whisper a message related to evangelization or the gospel message to the person on your left.
3. The person who hears the message then whispers it to the person on their left, and so on around the circle.
4. When the message has gone around the entire circle, the last person says the message out loud.
5. Compare the final message to the original message and discuss any differences or misunderstandings that may have occurred.

Tips:

- Keep the message short and simple to make it easier to remember.
- Remind the youth to whisper the message so that it doesn't get heard by anyone else.
- Encourage the youth to have fun and not take the game too seriously.

Variations:

- Instead of a message related to <https://young-catholics.com/23212/spread-the-good-news-game/vangelization>, use a Bible verse or quote.
- Increase the challenge by adding a time limit for each person to whisper the message to the next person.
- To make the game more competitive, split the group into teams and have them race to see which team can get the message around their circle first.
