Materials Needed:

- Candy
- [Tiger costume](#) or tiger-colored clothes (optional)
- Tail: flag football belt with one flag, bandana, long sock, or [tail from costume \(as mentioned above\)](#)

How to Play Tiger Tail Tag:

1. Choose the Tiger: Select an older youth or a leader to be the tiger. Ideally, the tiger should wear a tiger costume or tiger-colored attire to add to the fun.
2. Prepare the Tail: The tiger should have a tail tucked into their waistband or use a flag football belt with a flag attached. The tail should be designed to release when pulled.
3. Start the Chase: With the game set up, the tiger begins to run around, and all the youth participants enthusiastically chase the tiger.
4. Catch the Tail: The objective for the youth is to catch the tiger's tail. When one of them successfully grabs the tail, the tiger's duty is to throw candy to reward their efforts. Afterward, the tiger reattaches the tail, and the game continues.
5. Enjoy the Sweet Rewards: The game keeps going until all the candy is gone, providing an exciting and enjoyable experience for everyone involved.
