

TEACH US TO REMEMBER

BASED ON PSALM 78

Lord, help us remember all You have done. When life feels hard, remind us of Your care. Show us how You have been with us before. Keep our hearts from forgetting Your love.

Sometimes we doubt and complain. We do things we know are wrong. Forgive us, Lord, like You forgave Your people long ago. Teach us to turn back to You quickly.

Help us trust You when things do not make sense. Give us patience when we want quick answers. Guide us to follow Your ways, even when it is hard.

Teach us to share Your stories with others. Help us talk about You with our friends and family. Let our words help others believe in You.

Thank You for always staying with us. Thank You for never giving up on us. We praise You for Your love today and always.
