

# TRUSTING YOU EVERY DAY

## BASED ON PSALM 34

Lord, I will thank You at all times.  
I will speak of the good things  
You do. Even when life feels  
confusing, I will tell others how  
You help me.

You hear me when I call. You  
take away my fear. You are close  
when I feel broken inside. You  
keep me safe when I feel alone.

You teach me to turn from  
wrong. You show me how to  
choose what is good. You guide  
me to live with kindness. You give  
me peace when I follow You.

Those who trust You lack nothing  
they need. You watch over every  
step I take. I will keep looking to  
You, Lord. My hope is always in  
You.
