

A PRAYER OF TRUST AND JOY

BASED ON PSALM 33

Lord, you made the sky and the stars with your word. You hold the world in your hands. Help me remember that you are in control, even when life feels busy and uncertain.

You see me and know my worries. You know when I feel lost or afraid. Help me trust you more than my own plans. Teach me to wait for you with patience.

Many people look for strength in money or power. Remind me that real hope comes only from you. Help me to follow your ways, even when others do not understand.

Fill my days with joy in you. Help me to see good things, even in small moments. Teach me to be thankful, and to praise you with my words and actions.

Stay close to me, Lord. Be my help when life feels hard. Guide me each day, and let me always find my hope in you.
