

# GUIDE US IN YOUR WAYS

## BASED ON PSALM 128

Lord, Help me walk in Your ways  
today. When I feel lost or unsure,  
Show me the next step. Remind me  
that You are near.

Bless my work, Whether it's school,  
chores, or helping others. Give me  
strength to do what is right. Help  
me use my time well.

Be with my family and friends. Let  
our words be kind and our hearts  
open. Help us listen, forgive, and  
care for each other. Bring peace  
into our homes.

Teach me to trust You in small  
things. Help me notice the good  
around me. Fill my days with  
purpose and joy, Even when life is  
hard.

Thank You for walking with me.  
Thank You for the people You place  
in my life. Help me live with love,  
And bring peace wherever I go.
