

**A SONG OF PRAISE FOR TODAY  
BASED ON PSALM 98**

Lord, You have done great things.  
You fill the world with love and mercy.  
Help me to see Your goodness every day,  
even when life feels difficult.

All around me, creation sings to You.  
The sky, the oceans, the trees—they all praise You.  
Teach me to notice the beauty You have made.  
Let my life be a song of thanks.

You are a God of justice and truth.  
You see what is wrong in the world.  
Give me the courage to stand for what is right.  
Help me to trust that You will make things new.

Your love is for everyone.  
No one is forgotten or left out.  
Show me how to share Your kindness  
with the people I meet each day.

I will praise You with joy.  
I will trust in Your goodness.  
Thank You for walking with me always.  
Amen.
