

SING A NEW SONG TODAY

BASED ON PSALM 98

Lord, you are great and full of love. You do amazing things every day. You keep your promises even when we forget. You are close to us, and we thank you.

The whole world shows your goodness. The sky, the rivers, and the trees praise you. Help us see your love in the small things around us. Teach us to notice your work in our lives.

Give us joy when we feel tired or worried. Help us smile even when life is hard. Remind us that you are always with us. Fill us with peace that we can share with others.

We want to sing to you with happy hearts. Make our words, actions, and choices bring you praise. Help us live in a way that shows your love to everyone.
