

NEVER ALONE IN THE DARK

BASED ON PSALM 22

Lord, sometimes I feel far from you. It seems like you do not hear me when I call. The noise of life is loud, and I feel lost in it. Please remind me that you are still here.

I see trouble around me and it scares me. People can be unkind, and my problems feel big. Help me to remember that you are my strength. Give me courage to keep going.

You have helped others before me. I have read about your care in hard times. Let me trust that you will do the same for me. Show me that your love never stops.

I will tell others how good you are. Even when I am hurting, I will praise you. You are my hope when the world feels dark. Thank you for staying with me always.
