

A PRAYER FOR JUSTICE AND PEACE

BASED ON PSALM 72

Jesus, our King,
help us see the people around us who need care. Open our eyes to the poor, the lonely, and the hurt. Teach us to listen and to act with kindness.

Give us courage to speak up when things are not fair. Help us stand with those who are left out. Show us how to work for peace at school, at home, and online. Make us builders of your kingdom here and now.

Remind us that real power is not about control. It is about serving, helping, and lifting others up. Help us lead by being kind, not by being loud.

When we feel small, remind us you are with us. You work through small things and quiet hearts. Help us trust that what we do matters.

Thank you for being a King who cares. Help us follow your way each day. Make our lives a sign of your peace and love. Amen
