

SHINE THROUGH ME, LORD

BASED ON PSALM 112

Lord, help me trust You when things are hard. When I feel stressed or afraid, remind me You are near.

Give me courage to do what is right, even when others don't.

Show me how to be kind every day. Help me notice people who feel left out. Let me give what I can, not just things, but time and care.

Keep me steady when life changes fast. Don't let fear or anger take over. Teach me to stay calm and hold on to Your peace.

Let my choices bring light to others. Help me be honest, fair, and strong. Use my small acts of love to make the world better.

Thank You for walking with me. Thank You for calling me to live with purpose. Make my life a quiet light that points others to You.
