

WHEN I'M STUCK, YOU ARE THERE

BASED ON PSALM 40

God, I waited and waited, And it felt like nothing changed. But you were there the whole time. You heard me even when I was quiet. You helped me stand again.

Sometimes I try to fix everything myself. But I forget what you really want. You don't just want words or routines. You want my time, my trust, And the way I treat others.

There are days when I feel lost. I mess up, I get scared, And I don't know what to do next. Be near me when I feel that way. Don't let me give up.

Thank you for every moment You pulled me out of trouble. Thank you for staying with me When life didn't make sense. Help me remember your love.

Help me live the way you ask. Help me be kind, honest, and strong. Give me courage to do what's right, Even when it's hard And no one else is watching.
