

# YOU ARE MY LIGHT PRAYER

## BASED ON PSALM 27

Lord, when I feel scared or left out,  
remind me that You are with me.  
When people laugh at me or push  
me away, help me remember that I  
belong to You.

Sometimes life feels too busy and  
loud. I want a quiet place to be  
with You. Show me how to pause,  
pray, and listen. Help me see You in  
the middle of my day.

I don't always know what to do  
next.

Friends, school, and choices can be  
hard. Guide me on the right path.  
Don't let me get lost or give up.

You are stronger than all my fears.  
You see me when I feel alone. Help  
me trust that You are near, even  
when I can't feel it.

I will wait for You, Lord. I will try to  
be brave. Even when I don't have  
answers, I will keep going with You.
