

YOU ARE STILL WITH ME

BASED ON PSALM 147

God, You are strong when I feel weak.
You see when I'm tired or stressed.
You know when I feel left out or lost.
You lift me up and remind me I
matter.

You fix what feels broken inside.
You give me peace when my thoughts
race. You help me stand when I want
to give up. You care even when I don't
say a word.

You feed the birds and water the
earth. You care for the small things,
so I know You'll care for me. You
made the stars, and You still see me.
That makes me feel safe.

Your word speaks through the Bible
and in my heart. Help me to listen
when You call. Even when I don't
understand everything, Help me trust
You are near.

Thank You for staying close. Thank You
for caring about the world and about
me. Help me praise You with my
words, And also with my actions today.
