

GOD WHO STAYS WITH US

BASED ON PSALM 68

Lord, you are strong and good. You protect those who call to you. You do not forget anyone. Be close to us when we feel small and lost.

You give a home to those who are alone. You bring joy to those who are sad. Help us to welcome others as you welcome us. Show us how to care for people who feel left out.

You lead your people through hard times. Help us trust you when life feels unsure. Guide our steps when we do not know what to do. Stay with us in every moment.

You are King over all the earth. But you care for each of us too. Thank you for the good things we have. Teach us to be thankful every day.

We will sing to you with our lives. We will praise you in the way we speak and act. Help us to share your love with others. Be our strength and our joy always.
