

## **WHEN WE FEEL FAR AWAY**

### **BASED ON PSALM 137**

Lord, sometimes we feel far from home. We feel out of place, unsure, and alone. Like your people by the rivers of Babylon, we long for peace and for your presence.

Help us remember who we are. When the world pulls us in many directions, keep your truth strong in our hearts. Do not let us forget your love.

We bring you our anger and our sadness. You know our struggles and our pain. Teach us to trust you with everything we feel.

Be near when life feels broken. Lord, guide us back to you. Be our home when we wander. Fill us with hope as we wait for your kingdom. Keep us faithful until we see you face to face.
